## **Official Public Notice for Acceptance of Applications Type 2 and 3 Package Agencies**

The DABC and state of Utah is offering a three year Package Agency contract effective July 1, 2022, and will run through June 30, 2025. **The contract opportunity is open to the general public for qualified applicants that meet the statutory requirements and pass the selection process.** The decision to open the recruitment process is driven by the DABC's ongoing efforts to adhere to our statutory charge to use sound management and business practices. The recruitment and vetting process for the Type 2/3 contracts will be an open, transparent, and competitive process that is fair to both current package agents and members of the public who may wish to apply to operate a package agency.

Those interested in applying for Type 2/3 Package Agency contracts must complete an application found on the DABC website here: [https://abc.utah.gov/wp-content/uploads/Compliance/Applications/application\\_package\\_agency.pdf](https://abc.utah.gov/wp-content/uploads/Compliance/Applications/application_package_agency.pdf).

The following items are required to be submitted with the application:

- Detailed business plan
- Copy of lease or letter affirming ownership of the package agency location (for the purpose of the application process a letter of intent to lease the designated property can be provided by a potential landlord will suffice. An actual signed lease will be required to finalize contract acceptance. Failure to provide a properly executed lease after acceptance for the contract will result in forfeiture of the application)
- TC-721
- Local consent from the city or county in which the package agency will be located
- Business license from the city or county in which the package agency will be located (required because the contract will be held by a private ownership and not a state-owned facility)
- Ownership entity/organizational documents filed with the Utah Department of Commerce, including:
  - o Articles of Incorporation for Corporations
  - o Articles of Organization for LLCs
  - o Partnership Agreements for partnerships
